Description:

From Publishers Weekly With the help of Santa, Opus, the slightly neurotic penguin star of two of Breathed's comic strips, finally gets to fly; PW said, "Breathed achieves just the right balance of sweetness and levity." All ages.

From Kirkus Reviews The creator of the popular Bloom County comic strip takes up the well-worn theme of an animal who helps Santa. Opus is a penguin who longs to fly, but it's his swimming strength that makes him a hero after Santa's sleigh falls in a lake after the harness breaks. Reward: Santa's praise plus a ride aloft, borne by his friends the snow ducks. Nothing new here, but the story

is told with competence and energy; the lavish mixed-media illustrations (airbrush smooth, cartoon style) have plenty of witty details. (Picture book. 4-8) -- *Copyright ©1991, Kirkus Associates, LP. All rights reserved.* --This text refers to an out of print or unavailable edition of this title.
