Description:

Now in development for TV!

Since 1990, when Robert Jordan's *The Wheel of Time*® burst on the world with its first book, *The Eye of the World*, readers have been anticipating the final scenes of this extraordinary saga, which has sold over forty million copies in over thirty languages.

The Wheel of Time turns and Ages come and go, leaving memories that become

legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow.

When Robert Jordan died in 2007, all feared that these concluding scenes would never be written. But working from notes and partials left by Jordan, established fantasy writer Brandon Sanderson stepped in to complete the masterwork. With *The Gathering Storm* (Book 12) and *Towers of Midnight* (Book 13) behind him, both of which were # 1 *New York Times* hardcover bestsellers, Sanderson now re-creates the vision that Robert Jordan left behind.

Edited by Jordan's widow, who edited all of Jordan's books, *A Memory of Light* will delight, enthrall, and deeply satisfy all of Jordan's legions of readers.

The Wheel of Time turns, and Ages come and pass.
What was, what will be, and what is,
may yet fall under the Shadow.
Let the Dragon ride again on the winds of time.

TV series update: "Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Judkins previously worked on shows such as ABC's "Agents of SHIELD," the Netflix series "Hemlock Grove," and the NBC series "Chuck." Red Eagle partners Rick Selvage and Larry Mondragon will executive produce along with Radar's Ted Field and Mike Weber. Darren Lemke will also executive produce, with Jordan's widow Harriet McDougal serving as consulting producer." —*Variety*
