Description:

WWW.IAMED.US - This 153 page full-color paperback book was written for the adult learner in an easy to read format. It covers complex critical care medicine concepts and describes them in a simple, easy to understand manner. This text covers ALL subject matter included in the test blueprint for FP-C testing, including test breakdown, study strategies, and a CEU log for continuing education. This book uses BCCTPC approved content for continuing education when taken with our

FP-C prep course, and has multiple tables with critical information in a condensed format to help you pass the FP-C exam, and uses the latest CAMTS guidelines (9th Ed.) A portion of the proceeds from this book are donated to wounded warrior foundations supporting Special Operations Soldiers and their Family members.
