Description:

Best-selling author and spiritual guide Deepak Chopra invites you to become the kind of leader most needed today: a leader with vision who can make that vision real. Chopra has been teaching leadership to CEOs and other top executives for eight years, and the path outlined in *The Soul of Leadership* applies to any business, but the same principles are relevant in every community and area of life, from family and home to school, place of worship, and neighborhood.

With clear, practical steps, you are led through the crucial skills outlined in the acronym L-E-A-D-E-R-S:

L = Look and Listen

E = Emotional Bonding

A = Awareness

D = Doing

E = Empowerment

R = Responsibility

S = Synchronicity

After identifying your own soul profile and the core values you want to develop, you can use these seven skills to allow your potential for greatness to emerge. The future is unfolding at this very minute, and the choice to lead it lies with each of us, here and now.
